Application is invited for the post of **one Project Assistant** on a purely temporary basis in a time-bound research project sponsored by the DST-INSPIRE Faculty scheme, Government of India, New Delhi.

1. Project Title : Understanding the Mode of Action and miRNA profile in Response to Ionophores Treatment in Malaria Parasite.
2. Position : Project Assistant (One)
3. Duration : One Year
4. Fellowship : Rs. 10,000/- (Consolidated)
5. Essential Qualifications : M.Sc in Microbiology/Biochemistry and other branch of Life Sciences with a minimum of 55% marks. Age limit 28 years
6. Desirable Qualifications : Experience in handling parasite culture, biochemical assays, molecular cell biology techniques
7. Last Date : 30th July 2023.

The interested and eligible candidates may request to send their application along with complete bio-data supported by copies of necessary certificates (**single pdf file**) to the **Principal Investigator (PI), Dr. Vinoth Rajendran**, Assistant Professor (DST-INSPIRE), Department of Microbiology, Pondicherry University, Puducherry-605014, through **E-mail (vinoth.avj@gmail.com)** on or before **30th July 2023**.

Short-listed applicants will be informed by email only and invited for an online or in-person interview at Pondicherry University. No TA/DA is admissible for attending the interview.

The selected candidate should be ready to join the project immediately.

The tenure is for **one year** or till the termination of the project or till fund availability. The position is purely temporary and co-terminus with the project.

A handwritten signature in blue ink, appearing to read 'Vinoth Rajendran', is written over the typed name.

Dr. Vinoth Rajendran,
Assistant Professor (DST-INSPIRE) and Principal Investigator,
DST-INSPIRE Project,
Department of Microbiology,
Pondicherry University, R. V. Nagar, Kalapet, Puducherry-605014.
