

Indian Institute of Science Education and Research Bhopal

Date: 19/12/2023

Application is invited from Indian nationals for the post of Junior Research Fellow under SERB-funded research project entitled “**Proteomic identification and functional characterization of stress-induced cytoskeletal SUMO substrates.**”

Name of the Position: Senior Research Fellow (JRF)

Salary: Rs 35,000 + HRA @ 16% per month; HRA shall be admissible only if hostel accommodation is not provided.

Duration: 3 months

Essential Qualification: Applicants should have an M.Sc. degree in Life Sciences or Biotechnology or related subject with sound knowledge in the field of Molecular biology, protein purification, and protein modification analyses. At least a year-long experience in mammalian cell culture and proteomic analysis carries extra weightage to the application. Applicant must have qualified NET(JRF/LS) or GATE and a minimum of two years of experimental handling experience in Cell biology and confocal microscopy.

Age: Less than 33 years on the date of interview

Application Procedure: Interested applicants should email their CV and 1- Page cover letter (describing their relevant experience and a motivation statement to be part of this project) to rkmishra@iiserb.ac.in by 28th December 2023. Shortlisted candidates will be interviewed over the google meet platform on 29th December 2023. The selected candidate will be notified by email and is expected to join immediately.
